

St Wilfrid's NEWSLETTER

Message from Mr Truby

What a short half term! After the very long Easter holiday, this half term has been incredibly short however it has been an extremely busy time in school. This week, we were visited by Alan Dewhurst in his role as Diocesan schools officer to evaluate the Catholic Life of the school and Religious Education. The visit went very well and the feedback we received was both positive and encouraging. In particular, Mr Dewhurst commented on the significant improvements since his previous visit to the school and feels that St Wilfrid's is moving in the right direction.

Thank you for your continued support and encouragement. I wish you a wonderful half term break and I hope that this beautiful weather continues.

Mrs Connolly

After 19 years at St Wilfrid's, Mrs Connolly has decided to pursue other interests and therefore her post at St Wilfrid's will come to an end at the end of this summer term.

I am sure that you will join us in thanking Mrs Connolly for the contribution that she has made to the school and congratulate her for the many years of service.

We wish her the very best for the future.

Classes for 2017-2018

We have now assigned the children to classes for 2017-2018 and did intend to send them out this week however, due to unforeseen staffing changes, we now need to secure another teacher before finalising this.

The class lists will therefore need to be sent out after half term.

During the final half term, we are working on a smooth transition for all children. Based on feedback from previous years, this year we want to ensure that teachers and support staff spend time handing over to the new teacher, passing on key information and getting to know the children.

The children will be spending time with the new teacher before the end of term.

Move More School Yard Challenge

St Wilfrid's is one of 20 schools across the city to be selected for the challenge. The aim is to encourage children to become more active.

Children from Y1 to Y6 will be provided with their own special wristbands which, when pressed against sensors, monitor their movement around the playground and in the school building.

This exciting challenge will motivate all children to move and become more active. Evidence suggests that, when active in school time, children are better engaged and find it easier to concentrate.

All of the wristbands and other technology will arrive in school straight after half term. We will spend the first week getting used to the bands before starting the three week challenge.

Further details to follow.

10 day Active Travel challenge

Our school will be taking part in South Yorkshire Safer Roads Partnership's 10 day Active Travel Challenge starting on **Monday 5th June** and finishing on **Friday 16th June** 2017.

The challenge is for pupils & their families to choose an **active way** of getting to school over the 10 day period. There are prizes for everybody who completes the challenge, as well as class and whole school prizes!

We need everyone to take part and make an effort to travel to school in an active way during the challenge. The challenge is also open to school staff and we will be making every effort to take part.

Walking, cycling, skating, scooting and park & stride are all active ways of travelling and we hope by taking part in the challenge it will:

Improve health & wellbeing of our pupils & their families

Encourage pupils and families to be more active

Reduce congestion and parking problems around our school

Promote active travel for the journey to school and for families to continue to do this after the challenge!

During the challenge each classroom will have a wall chart on which pupils who have travelled actively will record their journey by adding a special sticker to the chart. Those pupils with 10 stickers on the chart at the end of the 10 day challenge will be awarded a prize.

Please be aware if you live a long way from school and need to drive you can still take part by parking away from school (at least a 5 minute walk) and walking the last part of your journey, this is called Park & Stride.

Our school could also win some fantastic prizes like scooter storage or even a visit from a theatre company. We are competing against schools from across South Yorkshire so we really do need your help. Please do your best to be active on your journey to school and help us complete the challenge.

Golden Broom

This weeks Golden Broom has been awarded to Y5 Class. Well done!

Who will it be next time?

Inclusion Coffee Afternoon

Thursday's Inclusion Coffee Afternoon was a great success. Thank you to everyone who attended.

Keep a look out for details of the next one!

Prayer of the Week

Dear Jesus

Pray for the victims of the Manchester bombing and the families of those who have lost their loved ones.

We pray that the Holy Spirit will come down and spread love.

Amen

Esther Y5

Please Sponsor Mr Conway

On the last day of term, after school Mr Conway is going to cycle to London raising vital money for CAFOD.

Although he hasn't quite told Mrs Conway yet, Mr Truby approves. Please send any sponsor money, or possible routes that avoid the M1, into school as soon as possible.

Every little helps so it would be great to hear from you.

Thank you for your support for a worthy cause.

ST WILFRID'S Little Business Directory

With so many parents with children at St Wilfrid's School owning their own businesses or working for local businesses, we thought it would be a great idea to put together an annual St Wilfrid's 'Little Business Directory'.

This Directory will allow parents to support each other's businesses, either individual to business or business to business. By having access to this Business Directory you will have local contact details ensuring that we all support our school business community.

Whether you're a dentist, builder, beautician, mechanic or own a café or a web-designer this directory is for you.

There is no better way to show a large audience that you are part of the St Wilfrid's School Community.

ST WILFRID'S Little Business Directory

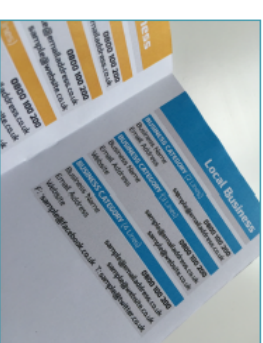

The 'Little Business Directory' works as follows:

Size

- A7 in size (105mm x 75mm) so it can be popped in a wallet or purse or kept safe in a draw or on a pin-board.

Important Numbers

- At the back of the Directory will be listed important / emergency numbers such as Yorkshire Water, Crimestoppers, NHS, as well as school details such as website address, email addresses, phone numbers.

Advertising / Listings

- There are 4 ways to appear in the directory:
 - A 'Parent-Owned' Business Listing costing between £10 - £20 depending on the amount of detail you wish to advertise (please see **Order Form 1** for more details).
 - A 'Parent-Owned' Business Advertisement, either full page or half page costing from £80. It may be a good idea to include a special offer applicable to this directory only! (please see **Order Form 2** for more details). You will automatically receive a business listing as well. If you require us to design your advert there will be an additional charge of £20.
 - A Local Business Listing costing £30 for (up to) a 4-line listing (please see **Order Form 3** for more details)
 - A Local Business Advertisement costing £150 for a full page advert or £80 for a half page (please see **Order Form 3** for more details). If you require us to design your advert there will be an additional charge of £20.
- Listings: Businesses will be listed alphabetically based on business / trade category and then by name
- Parent Owned v Local Business: These will be specifically identified as either parent-owned or local business

Distribution

- A minimum of 1000 directories will be produced, to be handed out to every family in the school and also for local businesses to distribute, in particular those businesses who advertise in the directory.
