Ice cream Competition!

We have a very exciting competition for our students at St Wilfrid's. On Saturday 15th July it is the school's summer fayre and we have the wonderful Livvy's ice cream van joining us.

Livvy has kindly offered to run a competition for the children to design a unique ice cream flavour that will be sold at the summer fayre from her van.

The winning design will get to make the ice cream with her prior to the summer fayre and then see it being sold on the day!

If your child or children would like to enter this competition then please can you get them to draw a single cone with a unique flavour (only natural flavours please so no bubble gum!) and a description of the flavour, along with a name (It could be a combination like chocolate and mint- ' choc mint delight' - for example or just a unique individual flavour not normally associated with ice cream?!) Then put their name, age and class on the back of their design and place it in the red PTA box in the school reception area by Tuesday 4th July.

Winners will be informed by Friday 7th July. Good luck everyone!
