Summer Uniform

We would like your views.

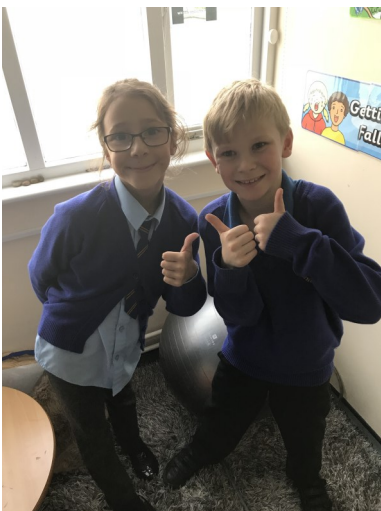

As you know, the school uniform changed a few years ago and, as a compromise, the blue polo shirt was included as part of the summer uniform. The challenge with the blue polo shirt is that this seems to clash with the school jumper or cardigan.

Our proposal is to replace the blue polo shirt with a short sleeved shirt and tank top V-neck jumper so that this reflects the main uniform.

The short sleeved shirts are good value to buy because they are often sold in packs of three, they are light weight and look smarter as the school tie can still be worn.

The summer dress would continue to be part of the uniform.

This illustration will give you an idea of what it could look like, although the tie would be tucked in.
