

St Wilfrid's NEWSLETTER

Message from Mrs Evans

It has been wonderful being part of all the Christmas events and celebrations in school over the past couple of weeks. In particular, the children's nativities and our Mass on Thursday were truly special occasions, reminding us of the reasons for, and preparing us for, all the other festivities. Thank you to Father Cooke and Monsignor Kilgannon for their support with these as always, and a huge thank you to all the fantastic staff in school for their hard work and the love and care that goes in to everything they do for the children.

We say a temporary goodbye to Miss Kidd today, and I want to especially thank her for her commitment to the children in her class and to school over the last term. We wish her all the very best of luck with her exciting new arrival and look forward to hearing the special news in the new year.

Wishing all our children and families a wonderful Christmas and a happy New Year.

God bless.
Mrs Evans

Christmas Fayre and Disco

A huge thank you to all those parents and family members who organised and got involved with the Christmas fair and disco, and to the PTA who funded the children's pantomime on Wednesday.

The children had a brilliant time at both events. We are very lucky to have such a committed and giving community of parents - events like these really help to make our school the special place it is.

Y5/6 Sportshall Athletics

On Wednesday 13th December our Y5/6 Sports Hall Athletics team won the Links final. They competed against 5 other schools. Two of our team, Daisy and Pierre, were commended for their performances in the seated throw. They both won their event.

The team will progress to the City Finals on 16th January. Well done to everyone. It was a great team effort. Good luck in the next round!

Primary School League Tables

The primary school league tables have been released this week and it is excellent to see that St Wilfrid's is in the top 1000 primary schools in the country for our mathematics, reading and writing attainment at Key Stage 2 in 2017. St Wilfrid's is ranked at 386. This relates to the Year 6 class who left us in the summer. We would like to take this opportunity to congratulate all of the children from that year group on their excellent achievements and to thank the staff for teaching them throughout the school. We would also like to congratulate the parents, who must feel very proud and to recognise the important part that they have played as the first educators of the children and for the support that they have given.

During 2016-2017, we introduced new teaching approaches in both mathematics and English and raised the expectations considerably both in terms of our belief that all children can achieve with the right diet and that children should have the opportunity to take their learning to greater depth before moving on to new content. We are already seeing the impacts of these improvements in the outcomes for children in all key stages.

Key Stage 2

In 2016, 73% of pupils achieved the expected standard in reading, writing and mathematics and this increased to 88% in 2017.

In 2016, 9% of pupils achieved the higher standard in reading, writing and mathematics and this increased to 26% in 2017.

There were only six schools in Sheffield to make the top 1000 list for 2017:

The 1,000 best performing primary schools in reading, writing and maths 2016-17

sheffield				
Rank	School	Eligible Pupils	Expected standard	Higher Standard
386	Oughtibridge Primary School, Sheffield (S35 OHG)	50	92%	26%
386	St Wilfrid's Catholic Primary School, Sheffield (S7 2HE)	42	88%	26%
386	Dobcroft Junior School, Sheffield (S7 2LN)	91	79%	26%
830	Totley All Saints Church of England Voluntary Aided Primary School, Sheffield (S17 4AP)	29	79%	21%
735	Wharnccliffe Side Primary School, Sheffield (S35 ODD)	18	78%	22%
386	Porter Croft Church of England Primary Academy, Sheffield (S11 8JN)	31	77%	26%

Y6 Crucial Crew

Congratulations to Y6 who were amazing at Crucial Crew last week. Their participation and enthusiasm was commented on by all the staff leading the scenarios.

We are extremely proud of you all.

Yellow – Make New Friends APP

Yellow is a location-based social search mobile **app** that allows users (mainly teenagers) to find others to share their Snapchat and Instagram usernames. It also allows users to chat with one another in the **app**.

Location Enabled

Users create a profile, share their location, and flip through images of other users in their area. It's been named as "Tinder for Snapchat": Users are invited to swipe right on profiles they like and swipe left on profiles they don't, and you can endlessly browse the profiles of people in your area and automatically link to follow their profiles on [Snapchat](#) and [Instagram](#).

Swiping Profiles to Chat

If you swipe right on a person who has swiped right on your profile, you can then chat and automatically follow one another on Snapchat. Technically, users must be over 13 to use the app, but there's no age verification; as long as a kid has a phone and puts in an age that indicated they're over 13, they can use the app.

According to Common Sense Media, with limited features and problematic privacy issues, there's not much to recommend this app. Read the app's privacy policy which is embedded within its terms of service on the website to find out more about the types of information collected and shared.

Talk to your child about:

The long-term effects of sharing what are assumed to be private moments through apps like Yellow, Snapchat and Instagram

Being smart about what and how they share content online and about being a good digital citizen.

Negative body images as Yellow uses a looks-only "like" or "pass" matchmaking style which may send users into self-criticism and feeling negative about their appearance.

The fact that nothing, once posted on the internet, ever really goes away -- and it can come back to haunt them.
