## Super Science in Y2!

In Y2 we have been learning about our needs as living things and about our health. We decided to find out about bacteria and germs. Our hands can look really clean, so how can we prove that there are bacteria living on them? We worked out a way to investigate this.

We took some fresh, juicy and appetizing oranges and without washing our hands, we picked up the slices and generally poked and prodded them! Of course, you should never play with your food, but if there was bacteria on our hands it would now be in the orange. After that we carefully put the orange into a strong plastic bag and

sealed it up. Each group labelled their bag and chose a place to put it where they think the bacteria will grow best.

We made observations of the fresh orange, drew it and described it on 26<sup>th</sup> February. We made predictions about how long it would take for the bacteria to grow and what this might look like from our experience. Some of us thought less than a day, but there's no real sign of it yet after 3 days. We will keep recording our observations and eventually our conclusion.

## Prayer of the Week

Dear Jesus

We pray for all the homeless people in the world

We pray they find warmth amidst the snow and freezing weather

And that they find a home and friends to look after them.

Lord hear our prayer

Amen

Jack Y5

## Individual Pupil Photographs

Thursday 8th March is individual pupil photograph day. Please make sure your child is wearing full winter uniform.

The children will have their individual photos taken as well as sibling photos taken during the morning.

If you wish your pre-school child to have their photograph taken with their in-school sibling these will be taking at **8.15am**.

## St Wilfrid's World Book Day—23rd March

We have re-arranged our World Book Day to take place on Friday 23rd March.

The children are invited to decorate a wooden spoon as their favourite book character and bring them into school on 23rd March. There are prizes to be won!

The children can also dress as their favourite book character on the day if they wish.

We will also be visited by the author, David Harmer, as was originally planned.

Tickets are available via this link: <https://www.picatic.com/event15199843403926>
