

# St Wilfrid's NEWSLETTER

## Message from Mrs Evans

A huge well done to our Year 6 children and all the staff who have supported them this week. The children have worked really hard and remained calm and positive all week as they've sat their external SATs tests.

We know all the children have done their best and they will have done really well. We also know that they are an incredibly kind and caring group of children, with a whole host of gifts and talents.

There are fantastic musicians, actors, and artists, great listeners and friends, and we are very proud of everything they have achieved over their time at St Wilfrid's.

Whatever the outcomes this week, we know that each and every one of them has such a lot to offer the world.

## School Drive & Car Park

Please remember, that although we don't have gates at the top of the school drive, the school grounds are private property and are out of bounds at weekends and in school holidays.

There are several hazards on the school site, including the pond, and the roundhouse which is not currently safe, and it is not appropriate for members of the public to be here at unsupervised times.

If there is a particular occasion or reason that you need to come into the drive out of hours, please speak to Mr Elliott or Mrs Evans.

Thank you.

## Sports News

Good luck to our teams who are competing in the following events...

Y3/4 Mini-red Tennis Thursday 24th May

Y5 Speedway - Thursday 7th June

Y5/6 Catholic Cup Football - Tuesday 12th June

KS2 Diocesan Cross Country - Friday 15th June

Well done to the two teams who took part in the mini-red tennis competition at the Hallamshire Squash Club on Tuesday 8th May. One team has reached the next round of the competition (Tawana, Tayana, Max and Zac).

## Y4 Regional Finals Hotshots Basketball 17th May

Having already qualified as Sheffield winners a couple of months ago, our Y4's competed against 11 other schools from across South Yorkshire.

They were attempting to win the regional final for the 3rd successive year. They had attended 5 half hour extra coaching sessions this week, such was their enthusiasm.

Unfortunately, it was one of those afternoons when it just wouldn't go in the basket! Ultimately they played 4 matches, winning one, drawing one and losing two by the odd basket.

They were a credit to the school, gracious in defeat and showed great passion throughout. Despite the odd tear at the end, they can be proud of themselves for what they have achieved this year!

## Refillable Water Bottles

Please ensure that every child brings a refillable water bottle to school every single day. This is especially essential during the summer months. School only has a very limited supply of cups.

All parents should have received a letter last week. After half term, the Thursday group will change to Monday, and the Friday group will move to Tuesday.
