## Super Science In Y3/4

In Year 3/4 we have brilliant fun in our Science with lessons expertly led by Miss Mycroft and Mr Brelsford.

As much as possible we get involved in experiments and exploring things in great detail and recently have been doing some brilliant work on and around rocks.

Last Thursday we had a particularly wonderful time looking at the different properties of rocks. The children were in groups and were asked to investigate a heap of exciting things before taking part in a quiz.

Here are some images from a sublime day of exploration.

## Prayer of the Week

Dear Jesus

On this special day for Mary we pray for mums everywhere

Give them strength to work with their families and energy to keep up their great work.

We pray they have a happy and a loving life.

Lord in your mercy

Hear our Prayer

Amen
