30 Day Challenge

We've been so impressed with the way everyone has risen to the challenges in our 30 day trial. We're seeing so much fantastic walking around school; manners have definitely been marvellous; and the improved meet and greet in the morning has made our start to the day quicker and more purposeful.

Just a reminder about the meet and greet routine:

- In both playgrounds, teachers will be out ready to meet and greet at 8.45am
- A first, warning bell gives 2 minutes notice for children to say goodbye to parents and start to get into line
- The second bell rings at 8.50am to signal the start of the day
- In KS2 there is a short prayer together before children walk in with their teachers; in KS1/Reception they go straight in with their teachers

Unless they are involved in a specific early morning intervention, children should not be coming through school or into cloakrooms before school starts.

Uniform

A few children have been coming to school in trainers recently, and some wearing t-shirts under their school shirts/polo shirts.

If there is a reason for your child not to be in the correct uniform, please ensure that the class teacher knows about this

Thank you.

CAFOD Walk

The liturgy leaders have been busy arranging a special walk 'Share our Journey' around our school grounds which will take place on Wednesday 27th June for CAFOD.

We are aiming to join other schools to complete a walk of 24000 miles, the distance around the whole world. This walk is to show we care about millions of people who are forced to leave their homes.

During the walk the children will be listening to special stories and prayers about refugees.

Thank you to Jenny who is helping us arrange this special afternoon.

Y5 Super Science

In year 5 we have been learning about Solids, Liquids and Gases.

We pretended we were water particles and started off being frozen. Miss Cheetham increased the temperature and we became liquid water through melting.

Then Miss Cheetham turned the temperature up even further and we became water vapour through vaporization.

We then turned the temperature down and we returned to liquid water through condensation and as it got even colder freezing caused us to become ice.

It was great fun!

Diocesan Cross Country Championships at Mylnhurst

Well done to the whole team! Our Y5/6 boys won their team event. Y5/6 girl's team came 2nd. Y3/4 boys came 2nd and Y3/4 girls came third. Individual winners were Will P, Olivia F, Callum Q and Tayana D.

Hot Chocolate Friday

Congratulations to this week's Hot Chocolate Friday children!

Chosen for showing exceptional behaviour, above and beyond expectations

Prayer of the Week

Dear Jesus

We pray for refugees and all the homeless people on the street

We share all our love to everybody

Lord in your mercy

Amen

Ingrid, Elyse & Matilda

Golden Broom

Well done to Reception class for winning the Golden Broom this week, for a very tidy cloakroom area.

Good Work Certificates

Good Work Certificates this week have been awarded to Sidney Y2], Grace [Y1], Benny [Y2/3], Henry [Y5], Luke [Y5/6], Iris [R/Y1], Mae [Y4], Sadie [Y6], Harry [R] and Zuzanna [Y3/4]. Well Done!

Full bar including craft ales, Prosecco, wines, ciders, spirits and cocktails
