

St Wilfrid's NEWSLETTER

Message from Mrs Evans

A big thank you for all the support for both our Share the Journey walk (Cafod) and sports day this week. They were both amazing events and the children did us proud on both occasions.

Thank you to Mr O'Shea for his generous donation of water and ice during sports day and to the PTA for providing ice pops.

More information and pictures are shared below, but a special thanks to all those who brought gazebos and refreshments, and helped with putting them up and organisation yesterday, and to Jenny Seymour and our fantastic Liturgy Leaders for Wednesday.

We are in the process of finalising classes for next year and will share this information as soon as we can next week. The children will then have some transition time with their new teachers before the end of term.

Share Our Journey

All the children took part in a walk around the school grounds listening to our fantastic Liturgy Leaders either tell a refugee story or say a prayer for refugees. The aim was to contribute to CAFOD's aim to achieve 24,900 miles around the world. CAFOD have achieved this huge challenge so well done to our pupils who contributed 250 miles!

The Liturgy Leaders prepared props and did a brilliant job reading the stories and prayers and also helped organise the event, they really worked hard.

Thank you to Jenny Seymour too who volunteers for CAFOD and helped us run this fantastic event. It was a lovely afternoon.

RuggerEds

Well done to St Wilfrid's blues on winning the Silver Cup in their league of the RuggerEds Schools Tournament. It was great watching the boys compete respecting the RuggerEds core values of good manners, respect, teamwork and fair play.

The junior team and infant gold team also played brilliantly and both got to finals for a trophy but just missed out.

Golden Broom

Well done to Y1 Class for winning this weeks Golden Broom.

Sheffield Charter for Quality in the Early Years

On Wednesday evening our EYFS team went along to the Town Hall to receive an accreditation for our work in Early Years.

This followed an intense process of self-evaluation and reviews from the Authorities Early Years Team. We are incredibly proud to be acknowledged for our hard work and dedication to providing the best possible education for our youngest children.

The Authority recognised our outstanding provision in both our indoor and outdoor areas and have put us forward as an example for other schools to follow.
