Black History Month

Many of our classes have been celebrating Black History month by looking at significant black figures through history, particularly where we might not have heard as much about that person's achievements or contributions to the world.

There is a great calendar resource here, sharing a different influential or amazing black figure from history for each day of October. You might want to continue to share some of these people's names and achievements with your children over the half term break.

Well done to our new reception children for setting in so well and having a lovely first half term at school. Also, a big thank you to all of the parents who have been so supportive.
