

St Wilfrid's NEWSLETTER

It was a joy to watch our Y1/2 class assembly this morning - thank you to all the parents/family members who joined us. The children sang beautifully and gave us a wonderful message about New Life and growing Jesus' love by spreading kindness to others.

We thought about our new pope, Leo XIV, and prayed that God helps him to be a great leader and example to all of us. It is very exciting news!

We also had a beautiful liturgy for Mary led by the Year 3 class on Thursday morning. In this special month of May, lots of the children have been learning about and praying with, rosary beads. We are all making an extra effort to think about and talk to Mary.

Next week our Year 6 children will take their SATs tests. We are so proud of all of the children and how hard they have worked in all their time at St Wilfrid's, but particularly since they have been in Year 6. They are all amazing, and every one of them has made great progress in their academic learning. More importantly than this though, they have grown so much as fantastic individuals! We know that whatever the outcome for them, they have achieved so much to be proud of and are all incredibly kind, creative, caring, engaging young people who will go on to make a positive contribution to the world. The children all want to do their best next week, and the very best thing for them will be to feel relaxed and confident. Parents, please make sure to help them have plenty of sleep and lots of reassurance!

Please look out for your class information about the Good Shepherd fundraising appeal. The Good Shepherd appeal raises money for the Diocesan organisation, Caritas, which provides a range of caring services for schools and the most vulnerable in our communities. Teaching the children about helping those less fortunate than us is a really important part of what makes us special as a Catholic school, and again, we are always so proud of their responses to this. Each class has been learning about Catholic Social Teaching through the year, and how our faith calls us to take action to help and support others.

The weather looks set to be lovely over the weekend. I hope that you all have a restful time and manage to enjoy some of the sunshine. God bless. Mrs Evans

Mrs Pearson and some Y5 and Y6 gardeners have sorted out our infant playground planter! Thank you very much, and thank you to the PTA who funded the materials. (Mr Hayes and Mr Raison topped up the soil—thank you!) They have planted some wild flower seeds in one section so we are looking forward to seeing them all in bloom!

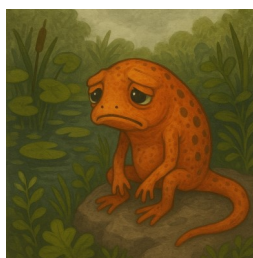

We would love to get our school pond sorted out so that it looks nicer and can be used by the children for pond dipping and other curriculum activities.

WE NEED YOU!

If anyone feels they could give up an hour or two to come and be part of a group of volunteers to do this we would be so grateful! This could be at a time to suit the most people—in the school day; at a weekend; in an evening. I'm sure it could be a nice social event too!

Alternatively, some work places do volunteering in the community—if this might be something a company you have a link with offers, please let us know.
